Summary of Ongoing Collaborations in the Department of Civil Engineering, UAP

Collaborating Institution	Type of Collaboration/Title/Terms	Status/Outcome
Port and Airport Research Institute (PARI) of Japan	Undergraduate students at UAP can travel to PARI to pursue research (sponsored by PARI) on concrete technology, including the repair and durability of concrete structures, corrosion of reinforcing bars.	Two batches of CE students completed research programs at PARI.
Japan International Cooperation Agency (JICA)	'Technical Development to Upgrade Structural Integrity of Buildings in Densely Populated Urban Areas and its Strategic Implementation towards Resilient Cities in Bangladesh' (TSUIB). The project aims to assess the seismic performance of different type of building structures in Bangladesh and suggest suitable seismic retrofit if necessary.	One lecturer from Department of Civil Engineering is currently doing her M.Sc. at Osaka University. More faculty members and graduates of the department are expected to pursue postgraduate study and research at different universities in Japan under this project, which will end in 2020.
OSCE Academy at Bishkek, Kyrgyzstan	Visiting Faculty from UAP	One of the faculties from department of Civil Engineering regularly teaches a master's level course
Edit Cowan University, Australia	Research Collaboration	Joint Research Project and Publication
University of Leeds, UK	Project Collaboration	Joint Workshop and information transfer

Summary of Ongoing Collaborations in the Department of Electrical and Electronics Engineering, UAP

Collaborating Institution	Collaborations Title/Type/Terms	Status/Outcome
Indiana University- Purdue University Fort Wayne (IPFW)	-Exchange of faculty and staff for consultations, lectures and/or research activities and to provide study/research space and library privileges and to allow exchange faculty and staff to audit courses without payment of fees. -appointing faculty, when appropriate, in between institutions as visiting faculty on a temporary basis. In such cases, the host Institution will pay the salary of the visitor. - Encouraging faculty to develop joint research projects and invite colleagues to participate in conferences, seminars and round tables. -Encouraging the development of short-term student exchanges for language and cultural training and other areas of mutually agreeable academic interest.	The agreement started on March 15 2013 and expired very recently on March 15 2018. Department is looking forward to renewal of the agreement for suitable activity and exchange program.
Purdue University, Calumet, USA	-Exchange of teachers and students, joint collaboration in arranging workshops, symposia, conferences and researches Transfer program: After completing three years at UAP with required results, students can move to Purdue University and complete one year of study to obtain a Bachelor's degree. Students can continue for another one year to obtain a Master's degree.	The agreement started on 12th February, 2012 and is still active. One student from Department of EEE got admitted in their Ph.D. program in 2012. Department is actively communicating with respective authorities for further interactions.
2018 IEEE 7th International Conference on Smart Grid and Clean Energy (ICSGCE) 29 May – 1 June 2018 UTAR, Malaysia	-Research Collaboration -Forming of Special Session on Power Control and Energy Management (PCEM) for IEEE ICSGCE 2018. http://www.icsgce.com/?page/SS-PCEM/ http://www.icsgce.com/	On 30th January 2018, proposal from Department of EEE was approved by ICSGCE

Southwest State University, Russia.	-Academic and research collaboration -Exchange of students and faculty	MoU has been signed by both parties.

Summary of Ongoing Collaborations in the Department of Computer Science and Engineering, UAP

Collaborating Institution/ Company	Type Collaboration/Title/Terms	Status/Outcome
KJS Company Ltd., Japan	The demonstration project for the ITEE preparation And the survey and research on employment in it companies in japan	46 students are selected for training for the department of CSE, UAP
Bangladesh Computer Council, Govt, of Bangladesh (BCC), BCC Bhaban, Sher-e-Bangla Nagar, Agargaon, Dhaka, acting through Md. Rezaul Karim ndc, Project Director, LICT	"Top–Up IT and Foundation Skills training" with association with Bangladesh Computer Council (BCC) and LICT	LICT Training is ongoing
Ethics Advanced Technology Limited (EATL)	Student internship, Job placement and Apps Contest	Apps Contest at UAP
 Access to Information (A2I)	Collaborative research, evaluation, assessment, review, case studies, training, design credible development strategies, joint campaigns etc.	MoU has been signed by both parties.

Summary of Ongoing Collaborations in the Department of Pharmacy, UAP

Collaborating Institution/ Company	Type Collaboration/Title/Terms	Status/Outcome
Medi-Quality Security Institute, Kanazawa University	Research Collaboration	Final MoU has been signed
Faculty of Pharmacy, Kanazawa University	Student Admission, Research Collaboration	Final MoU has been signed

Summary of Ongoing Collaborations in the Department of Law, UAP

Collaborating Institution/ Company	Type Collaboration/Title/Terms	Status/Outcome
International Bridges to Justice	Seminars, workshops, access to information for Law and Judicial sectors	Final MoU has been signed
